

# Who represents You in the Knesset?

**If you don't know,  
then something's wrong with your democracy.**

**Want to fix it?**

**Direct Representational Democracy for Israel**

**We can have public service  
... or we can have power-sharing.  
We can't have both.**

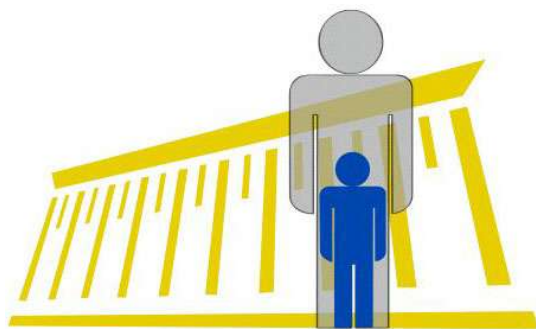

# Direct Representational Democracy for Israel

- Government based on public service, not power-sharing
- Individual accountability based on direct, regional elections
- Real separation of branches of government for real checks and balances
- Representation of citizens, not groups
- Empowered public, strong government

Public Service • Accountability • Excellence  
Individuals make it happen.

You are the power.

Take a Stand
